STEP 12

STEP 13

Scale 1:1

- STEP 1: Cut a piece of paper to the dimensions shown in the illustration in step 1.
- STEP 2: Roll paper over a wooden stick. Glue the ends of paper like you see in illustration. Remove the wooden stick & repeat steps one and two 27 more times. Paper rolls should have different lengths.
- STEP 3: Lay the rolls all together and fix them with 4 pins on cardboard.
- STEP 4: Draw a line on the top and bottom of rolls with a pencil. See the illustration in step 4 for where to draw lines on rolls.
- STEP 5: Cut two 80cm pieces of silver wire. Weave one piece of wire in and out of the rolls at one end at the point where the pencil line was drawn in step 4. At the end reverse the wire going back the same way and pull tight. Repeat on other end with second wire.
- STEP 6: Repeat step 5 on top of paper rolls.
- STEP 7: Cut 15cm of wire with side cutter and string 38 CRYSTALLIZED™ Beads article 5328, 3 mm Caribbean Blue Opal onto the wire.
- STEP 8: Wrap one end of wire around the wire which was wrapped around rolls in Step 5. Repeat these with other end of wire like you see in illustration.
- STEP 9: Cut 15cm of wire and slide 1 CRYSTALLIZED™ Bead article 5328, 4 mm Purple Velvet onto it. Fix the crystal as you see in illustration and slide on 14 CRYSTALLIZED™ Beads article 5328, 4 mm Purple Velvet. Repeat step 8.
- STEP 10: Repeat step 7 – 8 x8 and repeat step 9 x12 with all other CRYSTALLIZED™ Beads article 5328. Turn around rolls and twist the silver wire end of one crystal line with next one. Repeat this and cut rest off with side cutters.
- STEP 11: Shape the work around a glass. Then remove the glass.
- STEP 12: Twist wire ends with which you have fixed paper rolls like you see in illustration. Cut off rest with side cutters..
- STEP 13: Insert glass.
