HEARTS FUNCTIONAL

You are sure to unlock your main squeeze's heart of hearts with this discreet, yet decidedly masculine sparkling key ring. Functional and sophisticated at the same time, the tonal lettering on the accompanying black case shimmers with just enough restraint to remind

him that in 2009, a man's got a right to shine! If flaunting his jewels just isn't his flavour of manhood, he may opt to use it as a shaving kit, for storing stationery, or for safekeeping your love letters to him – anything to keep its lustre present in his life!
